GENERAL ASSEMBLY

Forty-ninth session

Committees

FIFTH COMMITTEE 67th meeting

Programme budget for the biennium 1994-1995 [107]

Report of the Secretary-General on the work of the Organization: strengthening of the United Nations system: programme budget implications of draft resolution A/49/L.68

The Chairman of the Advisory Committee introduced the report of that Committee.

The Controller introduced the report of the Secretary-General.

The representative of the United States made a statement.

On the proposal of the Chairman, the Committee decided, without a vote to inform the General Assembly that, should it adopt draft resolution A/49/L.68, no additional appropriation would be required under the programme budget for the biennium 1994-1995.

It is understood that the meetings of the Working Group during the fiftieth session of the General Assembly would require a specific exception to paragraph 7 of Assembly resolution 40/243 of 18 December 1985, in which the Assembly decided that no subsidiary organ of the General Assembly might meet at the United Nations Headquarters during a regular session of the General Assembly unless explicitly authorized by the Assembly.

Organization of work

The representative of the Philippines (on behalf of the Group of 77 and China) made a statement and proposed that consideration of draft resolution A/C.5/49/L.60 on the rationalization of the work of the Fifth Committee under agenda item 105 (Review of the efficiency of the administrative and financial functioning of the United Nations) be deferred to the fiftieth session of the General Assembly.

The Committee adopted, without a vote, the oral decision as proposed by the representative of the Philippines (on behalf of the Group of 77 and China).

The Chairman made a statement.
